

Do you want to start your career with an attractive employer?

Then visit our virtual career fair “Audi digital Campus“ and learn more about Audi and the various career opportunities we offer.

What is the Audi digital Campus?

In our Audi career talk, we inform about Audi as an employer as well as about our different career opportunities: from the Audi Dual Study Program, to internship and trainee positions, to the PhD Program.

Stop by!

Do you have concrete questions, or are you interested in a certain career development program? Then visit one of the breakout-sessions – you can chat with our experts and inform yourself about job vacancies there.

When will the Audi digital Campus take place?
